Woodstock High School Interact Club

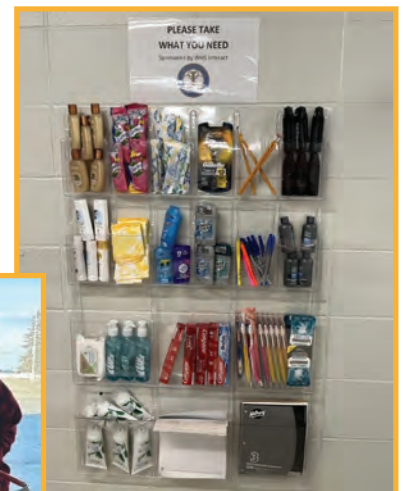

The **Woodstock High School Interact Club**, a proud branch of Rotary International, is made up of 89 enthusiastic students in Grades 9 through 12 who are dedicated to making a difference both in their school and wider community.

Founded in 2018, the Club has worked closely with the **Woodstock Rotary Club** on numerous fundraising and community service initiatives to support the Valley Food Bank, Purple Pinky to End Polio Campaign, and Sanctuary House. Their efforts include planting tulips, serving meals at Hayward House and encouraging big screams at the annual Haunted Hayride Event—earning titles like *Best Scare Station* and *Best Community Spirit*.

Taking the lead on their own projects, Interactors have organized Apple Pie Fundraisers for local families, created **Sunshine Kits** for students facing health challenges, gathered donations for the Carleton County Animal Shelter and volunteered their time at Old Home Week and the Maritime Snowmobile Races.

Inside the school they have established the **Supply Wall**—a space where students can discreetly access hygiene products and school supplies. Looking ahead, the club is excited to launch a **Clothing Closet**, offering free clothing to students in need.

Carleton North Imagination Library

One of the seven areas of focus of Rotary is “Basic Education and Literacy”. Florenceville Rotary has increased literacy in the area through gifting free books to children twelve and under at events in the area – River Bend Balloon Fest, Buttermilk Creek, Chefs on Fire and Hallowe’en parties. Books suitable for babies 0 to 18 months are given at the Immunization clinic at the Florenceville Medical Clinic.

Rotarian Lorena Green reading to great grandchildren Waylan and Rosie.

Rotary has been heavily invested in the success of the **Carleton North Imagination Library**. Incorporated in 2015 as a non-profit, The Carleton North Imagination Library supports children in the Carleton North District. In conjunction with the Dolly Parton Foundation, the program provides a free book every month to each child registered from birth to five years.

Trish Foster, chair of CNIL, wrote “In its ten years, CNIL has delivered over 30,000 (age-appropriate) books and almost 1,100 children have participated in the program. Rotary’s support has been invaluable over the past decade”.
